

Craig Erlam

Senior Market Analyst, UK & EMEA

Based in London, Craig Erlam joined OANDA in 2015 as a market analyst. With more than a decade of experience as a market analyst and trader, he's a globally trusted expert on both fundamental and technical analysis.

Craig has regularly appeared as a guest commentator on some of the biggest TV and radio stations around the world, including Bloomberg, CNBC, BBC, Sky News and FOX Business. His views also regularly feature in the best known online and print publications including the Financial Times, Reuters, Yahoo and MSN.

Craig holds a full membership to the Society of Technical Analysts and is recognised as a Certified Financial Technician by the International Federation of Technical Analysts.
